ABSTRACT

This science-oriented reading readiness text is provided in two versions: English and Navajo. It consists of large black-and-white drawings of animals and insects familiar to the southwestern U.S. One picture is provided on each page, labeled with the sentence, "This is a [name of the animal]." The two booklets are identical except for the language of the text. (CHK)

****
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
